

As your pet's Guardian, you want a healthy stress-free companion.

This is why we have created a pet range that is effective, affordable, and safe.

PET SHAMPOO

An effective shampoo that preserves the integrity of your pet's coat and gentle on the skin.

Removes soil, light oils and greases whilst leaving your pet feeling itchy and teary eye free.

Eliminates body odour.

PET ODOUR ELIMINATOR

Completely eliminates odours to discourage pets from repeat marking.

Especially tough on proteins found in pet urine as well as pet vomit.

Safe for use on carpets, upholstery, bedding, clothing and any other water-safe surfaces.

INTENSE PET ODOUR ELIMINATOR

Made to break down and neutralize odour instead of covering them up, completely eliminates odours to discourage pets from repeat marking.

Great for urine, faeces and vomit.

Safe for use on carpets, upholstery, bedding and any other water-safe surfaces.

PET MOUTHWASH

Adding Pet Mouthwash Powder to your pet's water bowl can promote normal periodontal health, whilst supporting gum hygiene and helping to keep your dog's teeth healthy and clean.

Tasteless and odourless, and helps freshen breath when added to your pet's drinking water.
